After 12 years working as a creative producer at Mappemonde, management and representation of artists, photographers and directors. I developed and produced projects for clients such as CARTIER, LACOSTE, GIVENCHY, Yves Saint Laurent, the EMERGENCE Festival created by Philippe Maynial. Now and for the last fifteen years I've been concentrating on my work as location scouting manager, also to the preparation of the films, creating some artistic mood atmosphere.

Nominee for the 11 th annual LMGI Awards : Film The Killer de David Fincher

Nominee for the 12 th annual LMGI Awards : Contemporary Television Serie for Slow Horses
